Dépistages et santé publique bibliographie

Revues spécialisées

La plupart des revues de médecine et de santé publique présentent des articles consacrés au dépistage, en particulier les revues généralistes (Lancet, British Medical Journal, JAMA, etc.). Les deux revues ci-dessous sont spécialisées :

- **Journal of Medical Screening**, London (Royal College of Physicians). Payant !
- **Preventing Chronic Disease**, Atlanta (Centers for Disease Control). Gratuit !
Accessible via www.cdc.gov/pcd

Généralités

Morrison AS. Screening in chronic disease. New York: Oxford University Press; 1985

Barratt A, et al. Users' guides to the medical literature: XVII. How to use guidelines and recommendations about screening. Evidence-Based Medicine Working Group. JAMA 1999; 281(21):2029-2034
